Accessing Speaker Bios

As a session moderator at AIHce EXP 2019 you will be responsible for introducing each speaker. A few sentences on employment, research interests, and career trajectory will suffice. You are not required to contact speakers beforehand to do this, but you can if you would like. We recommend that you review the speaker bios listed on our website and plan to arrive to the session room at least 15-20 minutes prior to the start time to meet with your session speakers. You can also meet in the Speaker Ready Room (102A).

**Step 1:** Go to the AIHce EXP 2019 website under agenda, [https://www.aihce2019.org/Agenda](https://www.aihce2019.org/Agenda). The “Search Schedule” button will bring you directly to a list of all sessions at conference, organized by day.

**Step 2:** You can also use the “Search Options” to search for specific topic areas or event types.
